

## Kind Coins for Kenyan Kids - Fact Sheet

### What

Kind Coins for Kenyan Kids is a Great Kindness Challenge global service project to help provide education to 250 students at the Kids for Peace School of Kenya located in Mikei, a remote village in Kenya. For a designated period of time, students collect spare change at home and in neighborhoods to be donated to sponsor Kenyan students.

### Kids for Peace School of Kenya Background Information

Since 2016, the Kids for Peace community has brought meaningful change to Mikei by building a new school, providing solar power, designing a playground, constructing a kitchen, and digging a deep water well for the community. Last year, the school expanded to offer a full primary education for children aged 3-10. Thanks to the generosity of the Great Kindness Challenge students, we were able to support over 250 students by providing breakfast, lunch uniforms, and half their tuition fees.

Building on the success of the past two campaigns and the meaningful impact they've had on the Mikei community, we're excited to continue the Kind Coins for Kenyan Kids fundraising campaign during the 2025–2026 school year.

### Who

All Great Kindness Challenge students, families and communities are invited to raise Kind Coins.

### When

Now until March 31, 2026. All raised funds must be postmarked by March 31, 2026.

### Why

1. Every child in the world has the [right to quality education](#).
2. Giving to others teaches compassion.
3. Learning about global issues helps students to be active global citizens.
4. This is a dynamic way to fulfill one of the 50 acts of kindness, “Make a wish for a child in another country.”
5. To unify all Great Kindness Challenge schools around one common service project. Kindness is working together!
